\* Elective courses are offered in two categories, from within and outside the department. In order to fulfill the graduation requirements, three or more elective courses with a minimum of 15 ECTS in total must be taken from the elective courses within the scope of the UEXXX coded course.

\*\*UEXXX coded course refers to elective courses taken outside the department. These courses are the courses offered outside the department (in other departments within the Faculty or in other faculties) with the "Common Elective Courses Pool" within the Rectorate and the language of the course must be English.
