CUHK Business School Master's Programmes

Admission Scholarships

For international students

Website

A wide range of admission scholarships is offered by CUHK Business School to international students. The scholarships recognise students who possess exceptional qualifications and performance upon entrance including:

- Academic and non-academic achievements
- Interview performance
- Potential to contribute to their cohort

All student applications will be automatically considered for scholarship and no separate application is needed. Programmes will identify qualified students and inform the selected students of the scholarship offers. Students may be awarded multiple scholarships.
