

## 2024-2025 FALL TERM FINAL EXAM SCHEDULE OF COMPUTER ENGINEERING DEPARTMENT

| Class | Course Code | Course Name                                    | Start Time | Exam Date  | Room   |
|-------|-------------|--|------------|------------|--|
| 4     | CENG462     | GAME DEVELOPMENT                               | 09:00      | 30.12.2024 | C510   |
| 3     | CENG319     | COMPILER DESIGN                                | 11:00      |            | A303-304   |
| 2     | CENG209     | SYSTEMS PROGRAMMING                            | 13:00      |            | C111-112 / A222-223 / A218-219 / A207-208        |
| 4     | CENG431     | SOFTWARE DESIGN PATTERNS                       | 15:00      |            | C111-112 / A222-223                              |
| 1     | MATH101     | CALCULUS I                                     | 17:00      |            | A203-204 / A207-208 / A319-320 / C506            |
| 1     | CENG114     | COMPUTER PROGRAMMING II                        | 09:00      | 31.12.2024 | A218-219 / A307-308                              |
| 3     | CENG315     | COMPUTER GRAPHICS                              | 09:00      |            | C510   |
| 2     | ENGR206     | SCIENCE, TECHNOLOGY AND SOCIETY                | 15:00      |            | C111-112   |
| 4     | CENG443     | PARALLEL PROGRAMMING II                        | 17:00      |            | C506   |
| 4     | CENG442     | NATURAL LANGUAGE PROCESSING                    | 09:00      | 2.01.2025  | A303-304   |
| 3     | CENG327     | INTRODUCTION TO SCIENTIFIC COMPUTING           | 13.00      |            | A319-320 / A315-316 / A307-308 / C502            |
| 1     | PHYS101     | PHYSICS I                                      | 17.00      |            | C403-404 / A422-423 / A414-415                   |
| 4     | CENG411     | WEB SERVICES                                   | 15:00      | 3.01.2025  | C111-112 / A222-223                              |
| 3     | CENG316     | INTRODUCTION TO VIRTUAL REALITY                | 17:00      |            | A422-423   |
| 2     | CENG203     | DIGITAL DESIGN                                 | 19:00      |            | B413-414 / A315-316 / C503-504 / C506            |
| 1     | CENG113     | COMPUTER PROGRAMMING I                         | 13.00      | 4.01.2025  | C111-112 / A222-223 / A218-219 / A315-316        |
| 2     | ENGR265     | PRINCIPLES OF OCCUPATIONAL HEALTH AND SAFETY I | 15:00      |            | C111-112 / A222-223 / A218-219                   |
| 3     | CENG301     | DATABASE MANAGEMENT SYSTEMS                    | 17:00      |            | A218-219 / A203-204 / A319-320 / A422-423        |
| 3     | CENG303     | DESIGN AND ANALYSIS OF ALGORITHMS              | 09:00      | 5.01.2025  | A203-204 / A207-208 / A319-320 / C507            |
| 4     | CENG463     | MACHINE LEARNING                               | 13:00      |            | A315-316 / B413-414                              |
| 2     | ENGR251     | ENGINEERING ETHICS                             | 15:00      |            | A315-316 / C111-112                              |
| 1     | CENG101     | INTRODUCTION TO COMPUTER ENGINEERING           | 17:00      |            | C111-112 / A222-223 / A218-219 / A207-208        |
