

2018-2019 Güz döneminde ilk defa ders alan öğrencilerimize ön şartlı ders kaydı uygulanmaktadır. Daha önce ders almış olan diğer öğrencilerimiz bu uygulamadan muaf tutulmuşlardır.

Prerequisites have been applied in the curriculum for the students who started taking courses first time in 2018-2019 Fall semester. Students who started taking courses before 2018-2019 Fall semester exempt of prerequisites.

NOT: Bir öğrencinin Ön Şartlı bir derse kayıt yaptırabilmesi için ilgili Ön Şart derslerinden en az DD harf notu alması gerekmektedir.

NOTE: In order to enrol to a course, students must pass prerequisite courses with a grade DD at least. Ön şartlı dersler aşağıda verilmektedir (The curriculum with prerequisites is given below):

1. Müfredat / 1st Curriculum

[Güncel Müfredat/ Actual Curriculum \(From 2020-2021 Fall Term\)](#)

Differences from the 2nd Curriculum:

- Each semester consists of 30 ECTS credits. Total credit: 240 ECTS .
- Prerequisite courses of **MCE 401 Graduation Project I** course have been changed to **MCE 306 Machine Elements II** and **MCE 204 Thermodynamics II**.

2. Müfredat / 2nd Curriculum

[2018-2019 Güz Dönemi ile 2020-2021 Güz Dönemi arası Müfredat/ The Curriculum between 2018-2019 Fall Semester and 2020-2021 Fall Semester](#)

Differences from the 3rd Curriculum:

- **PHYS 103 Physics I Lab.** and **PHYS 104 Physics II Lab.** Courses have been added to the curriculum.
- **MCE 312 Internal Combustion Engines** has been removed from the 3rd grade course list and added to the curriculum as a Department Elective course, **MCE 458 Internal Combustion Engines**.
- **MCE 320 Thermal Power Engineering** course has been added to the 3rd grade course list instead of **MCE 312 Internal Combustion Engines** course.

3. Müfredat / 3rd Curriculum

[2018-2019 Güz Dönemi Öncesi Müfredat / The Curriculum before 2018-2019 Fall Semester](#)

- Total Credit: 248 ECTS
- There is no prerequisite for course taking.
- Only **PHYS 101 Physics I** ve **PHYS 102 Physics II** courses exist, no Physics Lab.
- **MCE 312 Internal Combustion Engines** course is compulsory for the 3rd grade students.
