- e) AYBU has the whole authority in the assessment and placement of the candidates. AYBU does not have to admit full quota. Having application condition does not mean that you will be admitted to the program.
- f) AYBU has the authority to decide whether additional placement will be done to the remaining quotas (caused by candidates' not doing registration or inadequate application to the program) after registration process is completed and to change criterions in placement indicated on the table.
- g) Foreign national personnel working in embassies / consulates in our country who meet the application requirements, their spouse and children are considered as priority.

## USEFUL INFORMATION

### 1. EDUCATION – LANGUAGE INSTRUCTION

Please find opportunities and information on language certificates, language proficiency exams and prep class courses recognized by AYBU below. Language of instruction for each department is indicated on the table of quota. The candidates have to certificate their language proficiency of the programs in accordance with the language of instruction of the program they apply for.

The candidates who can certify that they have a valid exam result from one of the certificates indicated below in the process of application will have priority in ranking in accordance with the score they have taken. The candidates who do not have a valid exam result are supposed to fulfil the conditions below. However, only the candidates who have completed at least final three years of their secondary education in a country whose language of instruction is the mother tongue of the country and the people of this country attend the school in question can be exempted from the foreign language.

#### Turkish

Turkish Proficiency Certificate received from AYBU DİLMER, Yunus Emre Institute or from one of the centres recognized by Council of Higher Education (YÖK) within the last two years is accepted in order for the candidates who apply for the programs whose language of instruction is 100% Turkish, 30% English or 30% Arabic to certify their language proficiency before registration. If the candidates who have the certificate in question are admitted, they have the right to start directly from the related program without attending the prep class.

Turkish Proficiency Certificate is not compulsory in the process of application for the programs whose language of instruction is entirely in English. However, until they graduate, students are required to submit a B1 Turkish Proficiency Certificate. Additionally, it is compulsory for the students who are entitled the right for registration to Faculty of Medicine (English) to certify **C1 Level Turkish Language Proficiency Certificate** to their faculty to be able to do course registration to 4th class. In order for the candidates to start receiving education to Nutrition and Dietetics (Turkish) and Translation and Interpretation (English) Program, the candidates have to have **C2** level Turkish writing and speaking skills. If the candidate without Turkish Proficiency gets an approval, h/she has to take Turkish Proficiency Exam delivered by AYBU DİLMER announced on the website <https://aybu.edu.tr/dilmer/> before registration. Please contact with AYBU DİLMER to get a detailed information as to the exam in question including its date. The candidates who cannot speak Turkish are going to take Turkish course at AYBU DİLMER.
