Information on Courses offered to Interational Students	<p>The Faculty of Theology offers a complete post-graduate programme of Doctor in Theology (Th.D.), in German and in English and a post-graduate programme of Doctor in Philosophy (Ph.D.) in English.</p> <p>The Faculty of Theology doesn't offer any bachelor's or master's degree study programmes in English and German languages. However, it offers several courses which are taught primarily in English (and some others also in German, Spanish).</p> <p>The rest of courses is taught in Czech but lecturers can provide English materials and students will be expected to familiarise themselves with the materials and fulfill the requirements, such as making a presentation, written paper, etc. Our courses cover four main areas of study: Philosophy, Theology, Leisure Time Education and Social Work.</p> <p>To be able to orientate yourselves in the courses please see these list of courses. Please be aware that the faculty Erasmus+ coordinator always has to prove whether the course will be opened in the particular semester.</p> <p>List of the courses</p> <p>You may also want to choose from the courses offered by the whole university (its other faculties) - in that case see the course catalogue. In case you need more information please contact the International Relations Vice-Dean's Office: purova@tf.jcu.cz.</p>
