

LAP Presentation at Orientation 2018-2019

The Learning Advisory Program Unit Coordinators presented the brand new LAP unit of AYBU to the incoming students during the Student Orientation of Academic Year 2018-2019. The Co-Coordinator of LAP Unit explained how the Learning Advisory Program was created and how the Learning Advisors were trained. The mission and the goals of the Learning Advisory Program were explained in addition to specifically what advising is and is not. They shared the contributions of the Learning Advisory Program that have been made to the field of Learning Advising and explained how students can get appointments from advisors. What is more, the coordinators introduced AYBU's very first two Peer Advisors to the instructors and incoming students of AYBU and gave a brief overview of the Peer Advising Program.
