

## REGARDING ENGR 210 FOR CIVIL ENGINEERING

Students are expected to attend this seminar organized by the Faculty. Those who want to participate in a different activity should get permission from Assist. Prof. Dr. M. Cem YILMAZ, and Res. Asst. Abdullah TÜRER at least one day ahead (Tuesday).

One report for each activity must be written. At least 9 reports should be submitted in total. Grading will be done over 12 reports. Those who misses 4 reports and 4 signatures in attendance sheet will be failed with G.

Reports will be written by computer (use attached file). The content of the report must be original. Originality of the report will be checked by turn-it-in. In order to prepare a report to get high grade, it is advised to listen carefully to the seminar and to take notes during the seminar. Participants in the external activity must provide evidence that they participate in the activity.

The attendance sheet of the lesson will be followed by Res. Asst. Abdullah TÜRER. After the lesson you have to sign the attendance sheet in **B307**.

Reports should be sent to Res. Asst. Abdullah TÜRER by e-mail (aturer@ybu.edu.tr). Each report should be sent before the following **Monday until 17:00**.

### ***Score distribution:***

Content of activity: 25 points

Discussion of activity: 45 points

General content (wording, seriousness, original point of view, etc.): 30 points

The score of the report will be **-zero-** if any plagiarism or copying from another source is seen also the following report will be graded as **-zero-**.
