**Students who are required to study English and Arabic Prep-Class are expected to pay the education fee of their program.**

**Students who are required to study Turkish Prep Class are expected to pay their half of their yearly education fee for registration. They will be asked to pay for Turkish Language education, too. When they pass the prep class, the education fee they paid will be transferred to the first term of the related academic year.**

## **11. RESIDENCE PERMIT**

### **First Application:**

Newly admitted students, after registration to the University, before the expiry of the visa or visa exemption period (this period is 10 days for those who enter the country with the conditional entry form of residence permit), must apply for a residence permit online (from [www.goc.gov.tr](http://www.goc.gov.tr)). **Within 30 days from the date of application** following documents should be submitted to the International Students Office (**applications with missing document will not be accepted**). Those who have missing documents will be given 7 days to complete them. Those who do not complete the documents within this time period, must submit their documents to the Provincial Directorate of Migration Management.

### **Required Documents:**

1. e-İkamet Online application form (taken from [www.goc.gov.tr](http://www.goc.gov.tr))

2. A valid passport and copy (copy of last entry page and the visa page, if any) (the copy should be approved as “true copy” taken from the Registrar’s Office)
3. 4 biometric photos
4. Health insurance (You can apply for General Health Insurance conducted by the Social Security Institution or you can have a private health insurance. Those who are planning to apply for the General Health Insurance after getting the national id number can sign a statement in our office and submit the insurance document to the Migration Management later. Those who have a health insurance valid in Turkey based on a bilateral agreement do not need to have a health insurance)
5. The Residence Permit Information Form (taken from the International Students’ Office)
6. Document showing your address information (If you stay in dorm you should submit a document with e-signature/signature and sealed/stamped taken from dormitory management. If you stay as a tenant you should submit a notarized rental contract)
7. Residence permit card fee receipt
8. Income statement (Must be declared during online application. Students whose expenses are paid by a governmental authority should state this issue to the migration management)
9. For those who are younger than 18 ( By the date of application to e-ikamet)
  1. Letter of consent\* (If the foreign mother and father officially reside in Turkey, this document is not needed.)
  2. Birth certificate (This document is needed in case the mother and father of the student cannot be identified from the given identification/passport)

**For your questions:**

## **12. ACADEMIC CALENDAR FOR 2020-2021 EDUCATION YEAR**

You are supposed to visit the web page of the faculty you have registered.

You are supposed to visit the web page of school of foreign languages if you are required to study prep-class.

### **IMPORTANT POINTS**

**Admitted students must provide all the documents (written in international student registration guide) for registration between 18-31 August 2020 to student affairs in Ayvalı Mah. Takdir Cad. 150. Sok. 15 Temmuz Şehitler Binası room numbered BZ 16 Etlik / Keçiören**

**Students must pay 2020/2021 Fall Term education tuition to HALKBANK with their student number to complete their registration. Students in whose letter of acceptance “B.K.K 3/2” is written are not expected to pay their education fee in legal normal period of their program, and in the first year of their Prep Classes. Those who repeat the prep-class and extend their period of study will pay the education tuition of the year they have registered.**

**Students who have applied with their SAT scores must send their CollageBoard Username and password for verification of their scores to admission@ybu.edu.tr before registration dates. Those who do not want to share their username and password must come with their valid username and password for verification in the Office, which may take your time before registration. Therefore, sending username and password before registration date to the related mail address is advised.**

### **Health Care Services**

Students **have to** have a valid health insurance during their stay in Turkey. There is a governmental health insurance (General Health Insurance/GHI/GSS) which is **strongly recommended** by the university or you can have a private one. If you choose to have a private health insurance you need to extend it regularly.

In order to have GSS, you need to apply to the Social Security City Directorate or to the Social Security Center of the district in which the student resides **within 3 months following your registration (first registration to the university) and after receiving your foreign national ID number.**

Students who do not apply for the GSS within the 3-month legal period for the application cannot benefit from this right afterward. **Therefore, students are strongly advised not to ignore this procedure. If you change your program or your program level (e.g. from undergraduate to master's) you have the right to apply again.**

#### **Required documents:**

1. Student certificate
2. Residence permit card
3. Application form (you will be given this form in the related center)
4. You will make the payment to PTT after application (annual fee)
